

Recruitment

Drain Doctor Plumbing is probably unlike any other service companies you have ever worked for! We give you the opportunity to grow and develop personally, whilst enjoying and profiting from the high commissions you receive rather than hourly rate.

This means that you set your own financial goals and learn to own your returning customers, thus ensuring your future work

In the plumbing arena, you will be carrying out mantance repairs and installation work. Whilst the complete Drainage service includes clearing blocked sinks, toilets, gullies and drains in both domestic and commercial properties.

Only experience and professional skilled plumbers need apply. They must have good communication skills. Be of smart appearance and be able to work on own initiative.

CCTV and High pressure water jetting experience an advantage.
If not traning will be given.

The potential applicant must have a clean driving license, minor points accepted. A Ford Transit will be provided. The successful applicant must be willing to work on an emergency call out rota in the Southampton and Portsmouth Yellow Pages areas.
